Always wipe clean – thanks to the induction technology

Thanks to this hob's professional induction technology, the surface never gets hot. So spills don't harden on, and it cleans up with just a quick wipe.

Stylish white light to harmonise with your kitchen's style

Illuminated with bright white LED light, this control panel harmonises with the other modern control panels in your kitchen.

Flexibility for cooking every course at once, plus the side dishes

With six cooking zones, this hob gives you the flexibility you need to cook several dishes at once – plus a few side dishes – just like the professionals.

Completely intuitive control – just touch or slide

This hob's DirectAccess controls make for a completely intuitive way to set the cooking level – just touch and slide straight to the right setting.

Express your individuality with this exclusive colour

The exclusive colour of this hob's glass surface is designed to reflect unique taste and style. Can it help express your individuality?
