Get the best of both worlds

Electrolux designer hoods offer high performance standards coupled with an elegant, premium design to create the perfect centrepiece for your modern kitchen.

Premium design, superior performance

Electrolux panel designer hoods not only add beauty and elegance to your kitchen, they work wonders too. Packed with features to give you clean, fresh air even when you're cooking up a feast.

Powerful boost

The boost function can be used to maximize the fan speed for one minute to effectively clear the air.

Patented clog-free dual filter technology with oil collector

It originally built for industrial kitchens suits for Asian cooking, trapping even more oil from the air and requiring less frequent cleaning.

One touch elevation

Controls when the panel goes up and down with just one touch.

This product comes with

Power Boost

3 fan speeds + Intensive

Easy-to-use IQ touch

Fan delay off - 5 minutes run time

Screen Lock Function

Maximum 1500m³/h airflow

LED 3-level light and light craft at bottom and back sides
