Key features for EWS1066EDW - Washing Machine

[▲ Back to top](#)

Time Manager®

The new Time Manager function puts you in control of your own washing time. The washing time can now be reduced to suit your needs, without decreasing your satisfaction. Adjust your washing time according to your soil level of your laundry and save time and water.

LED Display

Displays remaining time and a timer setting

This product comes with

Time Display

Delay Start

HK energy label Class 1

Flap for powder or liquid detergent

Time Manager Function

Made in Poland

EU energy efficiency class A++
